

BOAT TRANSPORT SOLUTION

SAFeway LOGISTICS SPECIALTY FLATBED

QUOTES

- Provide the boat Year, Make and Model
- Accurate dimensions of trailer as it will travel:
 - X" LENGTH Prop to ball hitch
 - X" WIDTH Widest point, fenders?
 - X" HEIGHT Ground to highest point
- Photos are worth 1,000 words

TRANSIT

- Loading can be day specific if required
- Transit is efficient, timely and reliable
- Delivery can be day specific if required
- We always call a day ahead to confirm

LOCATIONS

- We can arrange to load and unload from a marina, an O/A and D/A, or a residence
- We can secure services if necessary to load & unload boat on and off the flatbed
- Most boats from and to a residence will travel on a short flatbed locally and be transferred on/off of the long-haul flatbed

BOOKING COMMISSIONS

- We invoice your agency for our costs
- You add your commission and invoice your client—which means...

YOU DECIDE YOUR SALES COMMISSION

LIABILITY

- Cargo liability: Actual value up to \$100K
- Client's own policy may apply for the move (Client should check with their insurance agent.)
- Cargo insurance is available. \$3.50 per \$1,000 value

ORDER REGISTRATION

- EASY FOR YOU
- We register a U189 UVL order and invoice your agency

OPTION

- If necessary, we can help you register using your order number
- Special FLT2 tariff is required for use with this option
- FLT2 option may affect cost per the UVL distribution

TRANSPORT INFO

- No stowed or loose items. Remove all extra gear
- No boat covers while in transit (they are for storage)

- Additional boat transport information and tips are available on the UniGroup portal, the "U":
